#DS.CC -9:58 PM Apr 13th, 2009

omega71 **@cnc137** Dunno man, dunno..but it was there right next to the old school Simpsons game **#DS**.CC -9:57 PM Apr 13th, 2009

bobdrakken NHL Arcade is fun but I'm awful at it. **#DS**.CC -9:56 PM Apr 13th, 2009

cnc137 **@omega71** House of the Dead at Chuck E. Cheese? How is that kid friendly? **#DS**.CC -9:56 PM Apr 13th, 2009

bobdrakken **@cnc137** I agree with these people. Making portable versions of PS3s hits really isn't going to do much to impress. Thats my 2 cents.
#DS.CC -9:56 PM Apr 13th, 2009

z36 **@cnc137** Hey why are coming in here the last ten mins like you have been here the whole time. I carried you this week. **#DS**.CC -9:56 PM Apr 13th, 2009

cnc137 I played House of the Dead 4 and Mario Kart Arcade GP a few months ago at Dave & Buster's. **#DS**.CC -9:56 PM Apr 13th, 2009

omega71 **@cnc137** DDR, and the latest House of the Dead. in a Chuck E Cheese no less. **#DS**.CC -9:55 PM Apr 13th, 2009

z36 Do we want to see the PlayStation Store expanded to include more PSP downloadable games? That would be a big NO!! **#DS**.CC -9:54 PM Apr 13th, 2009

cnc137 What was the last arcade game you actually played in a real arcade, such as, Dave & Buster's, GameWorks, etc.? **#DS**.CC -9:54 PM Apr 13th, 2009

z36 I have a mic I just didn't want to talk to him on the days he called. :))
#DS.CC -9:53 PM Apr 13th, 2009

cnc137 Do we want to see the PlayStation Store expanded to include more PSP downloadable games? This is what they are also hinting at. **#DS**.cc -9:52 PM Apr 13th, 2009

flea43 I have an extra boom Mic I can send. I am really looking forward to Motorstorm and Little Big Planet. **#DS**.CC -9:52 PM Apr 13th, 2009

z36 As long as people that are buying them are like your son and Motorstorm: Arctic Edge it should landslide. **#DS**.CC -9:51 PM Apr 13th, 2009

cnc137 **@bobdrakken** People are saying that it might hurt the PSP having all these PS3 titles coming to it, since people will compare them. **#DS**.cc -9:51 PM Apr 13th, 2009

flea43 I hope so. Because I a prefer PSP. **#DS**.CC -9:50 PM Apr 13th, 2009

cnc137 **@flea43** **@omega71** I was referencing **@z36** with the working mic comment. :D hehe... **#DS**.CC -9:50 PM Apr 13th, 2009

bobdrakken **@cnc137** sounds like PS3 where's the exclusive titles? :
(**#DS**.CC -9:50 PM Apr 13th, 2009

cnc137 Do you think the PSP can make a come back with Motorstorm: Arctic Edge, LittleBigPlanet, Rock Band, and Assassin's Creed this year? **#DS**.cc -9:49 PM Apr 13th, 2009

flea43 My boom mic works. It super cool. **#DS**.CC -9:49 PM Apr 13th, 2009

z36 **@cnc137** You should tell them we are doing it now or we are not doing it. Oh wait that is what you did. **#DS**.CC -9:49 PM Apr 13th, 2009

bobdrakken They have like powerups and stuff that shrink the goalies and some make the players x2 as large so checking hurts alot. **#DS**.CC -9:48 PM Apr 13th, 2009

omega71 naw, its been longer than six months..and I have a working mic, and a witty personality. And you do need a WoW part of the cast :D :D
#DS.CC -9:48 PM Apr 13th, 2009

bobdrakken Dang! I lost 10-6 :(It's played until someone lands 10 goals.
#DS.CC -9:48 PM Apr 13th, 2009

z36 I just think it sucks what if you don't want to do that. **#DS**.CC -9:08 PM Apr 13th, 2009

cnc137 What happens when my hard drive fails or memory card is erased? What happens when their service shuts down? **#DS**.CC -9:08 PM Apr 13th, 2009
